- ✓ Increase Productivity
- ✓ Improve Quality
- ✓ Rehabilitation
- ✓ SAW/RTW

#### NAICS Codes

- 333924 Mechanic's Creeper Manufacturing
- 339113 Automotive Maintenance Machines
- 541714 Research and Development in Biotechnology
- 541715 Research and Development in the Physical, Engineering, and Life Sciences (except Biotechnology)

#### Industries Served

- Manufacturing
- Aerospace
- Agriculture
- Transportation
- Rehabilitation
- Medical
- Insurance

#### Patents

US Patent No. 8777237  
Also Patented in Australia, Brazil, Singapore, Germany, France, Sweden, The Netherlands, The United Kingdom, Canada, India, Mexico, Israel and Malaysia

#### Past Performance

Mack/Volvo, Daimler Truck  
Production, Repair

Case New Holland, John Deere  
Tractor, Implement,  
Loader, Combine Assy

Vocational Trucks  
Assembly

Transportation

Auto Restoration  
and Repair
